Notes:

All books to be covered and kept neat at all times. A sturdy school bag will ensure that all exercise and text books are protected from damage.

Dictionaries, Maths Sets, Calculators, rulers and ring files can be re-used every year (Form 1's can use scientific calculators from last year)

Normal stationery such as pens, pencils, erasers, sharpeners and glue are also needed. Please make sure your child has sufficient of these for the whole year.
