12 April 2024

Welcome back to Term 2!

Welcome back from a well-deserved break. Term 2 is a very busy term; the Mid-Year Examinations make for a short, intense term.

Events This Week

Blood Drive – 18 April

Forest Walk – 20 April

Parent/Teacher Consultations

Thank you to all of our parents who were able to attend the Parent/Teacher Consultations on Wednesday this week. If you were unable to attend and need to meet with a teacher or teachers to discuss your child's performance, please contact reception and we will happily make the arrangements.

Assessment Timetable

The Assessment Timetable for Term 2 has been issued to your child. An electronic copy accompanies this newsletter for your convenience.

Mid-Year Examinations

We are currently working on the first draft of the Exam Timetable. Finalising the timetable takes some time but as soon as it is ready it will be issued to both pupils and parents.

Congratulations

At the start-to-the-term assembly on Tuesday, we announced our Top Ten performers of Term 1. Congratulations to you all, we look forward to continued academic excellence.

10. Cleopas Thosago

New 'Masters' Graduate

Congratulations Mr Hlupeni.

Mr Ratham Hlupeni recently completed his Master of Education (MEd) degree in Mathematics Education with Rhodes University. He attended the graduation ceremony during the school holiday.

Forest Walk - 20 April
Our annual Forest Walk is just around the corner (Saturday 20 April). We look forward to another exhilarating walk through the Hanglip Forest with our pupils, their parents and friends. Pre-registration forms were issued to pupils on Thursday this week.

Blood Drive - 18 April

The South African National Blood Service (SANBS) will host another Blood Drive at Ridgeway College next week Thursday 18 April. We encourage all eligible parents to join us between 10:00 and 13:00 to support this life-saving cause.

Saturday Classes - 13 April

Grade 11

08:00-10:00 English

Grade 12

08:00-10:00 Maths
10:30-12:30 English

DREAM BIG,
WORK HARD,
MAKE IT
HAPPEN.

Well done to Kgabo Mashamba & Cindy Tshidzumba who have made it through to the next round of Circuit Netball Trials on Saturday, good luck girls!

GR 10 - Life Science

Experiential learning bridges the gap between theory and practice; something in which Life Sciences H.O.D. Miss Nthutang, specialises. Grade 10's getting their hands dirty as they used flower, water and ice to mimic the process of fossilisation before tackling the theory.

KIND REGARDS

Dr. G.W Elliott
