Ridgeway College

Dear Parents / Guardians

THE DANGERS OF SOCIAL MEDIA ONLINE COURSE

At the start of each new academic year our Grade 8 and new pupils to the school are required to complete an online course from Emma Sadlier, the leading expert in South Africa on social media law, titled "The Dangers of Social Media." A letter to parents has been distributed today.

LIFE SCIENCES

Our Grade 10 future biologists have been creating an 'Ecosystem in a box/Jar' as part of their Life Sciences class. The visible representation demonstrates their understanding of the components and interrelatedness within a healthy ecosystem

FIELD TRIPS NEXT WEEK

On Tuesday next week our Grade 8s depart for Lapalala and our Grade 9s leave for Johannesburg. All children depart from school at 07:30 on Tuesday morning. Please ensure that your child has returned their Indemnity Form as no child will be able to attend a field trip without a signed Indemnity Form.

CIRCUIT ATHLETICS COME TO AN END...PROVINCIAL'S ARE ON THE HORIZON.

The final round of Circuit Trials took place last Saturday. The following pupils excelled:

•**Nduvho Mafela**

oPlaced 2nd (Boys U17 Long Jump)

oPlaced 1st (Boys U17 Triple Jump)

•**Lavhelani Fambe**

oPlaced 2nd (Girls U19 Triple Jump)

Nduvho and Lavhelani are off to Polokwane on Saturday 2 March for Provincial Trials – all the very best to you both.

AFTERNOON SPORT/CULTURAL TIMETABLE

Now that our athletics season is coming to an end, our Afternoon Sport/Cultural Programme begins. Our soccer and netball sessions have already commenced – we have almost completed the afternoon timetable and will circulate to parents via the D6 as early as possible next week – my apologies for the slight delay.

SPORT

KIND REGARDS
