

# RIDGEWAY COLLEGE NEWSLETTER

Dear Parents

24 February 2023

## THANK YOU FROM THE SANBS..

The SANBS (South African National Blood Service) sent us a formal thank you this week for our generous donations. We collected 22 units of blood last week, with 10 'first time' donors joining the blood drive. Your gift will go to good use – many thanks.

## U14 HOCKEY TRIALS

Congratulations to the following U14 Hockey Boys who have made it through to the next round of the Limpopo Hockey Trials taking place at Stanford Lake College on Sunday 26 February:

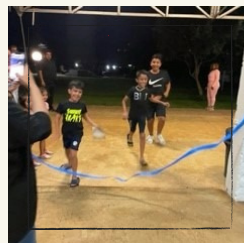

- Unarine Ravuluvulu
- Wesley Motheta
- Ramaano Phadziri

Well done gents, do your best on Sunday.

## QUIZ NIGHTS

The high school hosted a very successful Maths Quiz Night for our Grade 7 pupils, a number of our Gr 6s joined in the fun. Three rounds of mental maths, Olympiad questions and a Maths Amazing Race saw our children applying their minds to solve puzzles and clues, racing across the campus from destination to destination to come home first in the race. Thank you to our parents who supported their team and special thanks to Mrs. Aboobaker who generously donated the Quiz Night Trophy and goody bags for each participant.

Our next Quiz Night will be for our Grade 8s towards the end of this term – information will be shared soon.

Never stop learning...

$$ax^2 + bx + c = 0$$

#BELIEVE

## EXTRA MURALS

Our extra-mural timetable starts again next week – pupils will receive a soft copy and a hard copy will be loaded to the ‘app’ for our parents.

## TRAVELLERS RETURN

Our Grade 8 – 10 pupils are currently making their way back to Louis Trichardt after a few days of fun and education out at Lapalala, Johannesburg and Durban respectively.

Safe travels home – we will update parents on expected arrival times via the D6 App during the course of the morning/day.

## GRADE 12 CAREER EXPO

Our annual Grade 12 Career Expo will take place at Ridgeway College on Monday, 27th of February @ 11:00-12:30

KIND REGARDS

*Dr. G.W Elliott*
