Dear Parents

Another week in the high school seems to have raced by.

The Matric Dance was awesome...

Our Grade 12s celebrated a significant milestone for them at their Matric Dance on Friday evening last week. Our young adults looked amazing, dancing the night away on the dancefloor – it really was a wonderful night. A huge vote of thanks to our staff involved in making the evening so memorable for our pupils.

Parent consultations

Monday evening was parent consultation evening. Thank you to all parents and guardians who were able to meet with their child's teachers. A reminder to any parents who were unable to attend, that you are welcome to contact Reception to make arrangements to meet your child's teachers at a more convenient time.

Grade 12 Geography outing...

Our Grade 12 Geographers are out-and-about today with Mr Rafemoyo. This outing is part of their portfolio requirements, and we look forward to hearing about how much they have learnt today.

PEPPS Winter Challenge

Our netball, soccer, chess, and debate teams are off to PEPPS Polokwane early tomorrow morning for the Winter Challenge. The bus departs Ridgeway at 06:30 in the morning – don't over-sleep tomorrow, your team of teachers will be eager to get on the road. Teams should be back at Ridgeway around 14:00 in the afternoon but we will update parents via the D6 once the bus leaves PEPPS for its return journey.

Six of our senior boys played for the Triegies rugby team in the finals in Polokwane on Saturday. Despite a late night at the Matric Dance on Friday night, the team was crowned Limpopo Champions. Pascal Bessong was Man-of-the-Match. Well done gents.
