**GOOD DAY PARENTS,**  
Kiddi Yoga has launched and we would like to thank our staff, parents and learners for attending. I am confident that this extramural will grow as I already walked passed some learners who were determined to stretch to get ready for the session.

Our Grade 7 Learners “enjoyed” a 2 hour Mathematics session with Mr. Govender last Saturday and it was the first of many Academic Support Sessions that we will be hosting this year.

## RIDGEWAY RACES

Today we enjoyed most of the field events and we certainly have talented learners at Ridgeway. A massive thank you to our parents for their support by allowing our children to participate

## WE HEARD YOU!

At our last parents session you asked for more events and an improved approach to how we deliver our Educational Service. January has now passed and we have made strides in ensuring that you feel heard. We conducted multiple codes of sport, have organized an event at Levubu, hosted extra lessons sessions as well as joined a Chess League and implemented a new range of Extra-mural events, which has merely begun with Kiddi Yoga. It is safe to say that January has been a busy month for us and we will continue to improve your experience at Ridgeway.

*See you Tomorrow on the Field!*
