FAREWELL MS. SHAW

Ridgeway Preparatory is saying goodbye to Ms. Lilla Shaw. She has decided to take an early retirement and whilst this is sad for us, we would like to wish her well for her journey ahead. Ms. Shaw has been an instrumental figure behind the successful ECD centre and is universally loved and respected by all in our community. We wish you well, and I hope that you will pop in for tea occasionally as you will always be welcomed here.

OFF TO BENONI

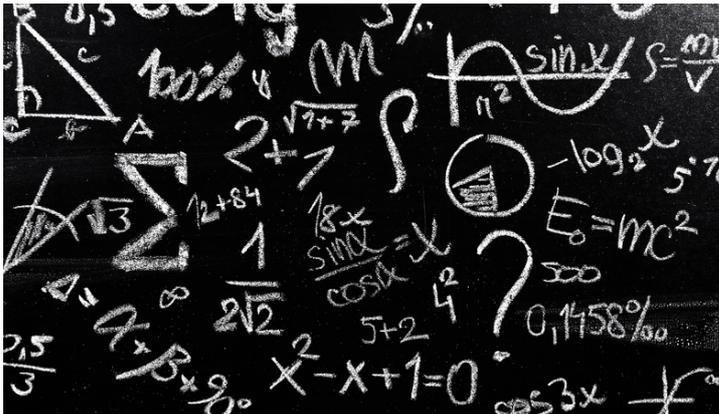

We are leaving this afternoon to attend the Edugro Winter festival in Benoni. We would like to wish our superstars well for the trip. I know that they will bring a few trophies and accolades back with them. We have had another productive week with regards to our sports, fixtures against Louis Trichard Primary, Souties and Levubu. Our plan has always been: mass participation across multiple disciplines and I am thrilled that we are delivering on this front. Without the support of our coaches and our parent body this would not be possible.

FAREWELL EDITION

NEWSLETTER

Our grade 7 learners are engaged in extra mathematics sessions with Mr Govender in preparation for their examinations which is something that we hope that all our children are aware of.

SCIENCE FAIR

Our next big event... our science fair, I hope that we see you there and enjoy the same level of support as we did with the Mother's Day morning.

A PEEK AT OUR WEEK - ECD

- The sea is salty.
- Animals in the game reserve.
- Who's going along?
- We go camping.
- Take care of yourself.

AFTERCARE

Our aftercare program has experienced more enquiries and I am grateful that our parents are choosing this as an option. We are the most cost effective option in our Town and our offering includes meals as well so please get in touch with me for an application form. Principal@ridgewaycollege.co.za
