## SUGGESTION SESSIONS

We extend our sincere gratitude to our parents for their participation in this week's Parent Meetings. Effective communication and idea-sharing are crucial to creating the ultimate experience for our children in this school. We value your input and appreciate your continued support. Thank you!

## EXTRAMURALS BEGIN

Observing our children express themselves in activities beyond the classroom is always a privilege. It's no secret that we hold a deep appreciation for sports, and it's pleasing to see our children share this enthusiasm. I'm optimistic that our passion and drive will soon enable us to compete at a higher level.

## #BOKFRIDAY

Can you believe, we made it to the Semi-Finals! Sending all our love and good vibes to our dear BOKKE this Saturday. What better way to kick off the weekend than a colourful run, followed by an epic braai feast before the big game? Sports are a fantastic chance to ignite our national spirit and show some love for our country. A big shoutout to all the parents for letting us celebrate Bok Fridays!

## COLOUR FESTIVAL

Hey there! Quick heads up, if you haven't snagged your tickets yet, you're running out of time! I can't wait to see you tomorrow as we get our party on for this epic yearly shindig. The kiddos have been bouncing off the walls with anticipation, and I just know tomorrow will be a smash hit. See you soon!

## PEN LICENSE

A round of applause for our Grade 3 champs as they gear up for their pen licence ceremony! Count me in as your biggest fan.

## ROAD SAFETY

As we enter our rainy season, I urge all road users to exercise caution while driving. It's essential to reduce speed and maintain heightened vigilance. Adverse weather conditions can make the road slippery, necessitating an adjustment in driving style to ensure the safety of our families, children, and staff during travel.

## GRADE 7 FAREWELL

Our "Bigger Babies" are all grown up and ready to spread their wings at the college. Let's wish them a smashing farewell tonight and brace ourselves for the amazing feats they're destined to achieve!

## IBT

This week, our Grade 3 and 6 learners concluded their International Benchmark Tests (IBT's). Given their dedication and effort, I am optimistic that we will achieve favorable results.

see YOU  
TOMORROW
