Dear Parents

ANOTHER STUDENT EXCELS

Ronewa Ramulongo took part in the Soutpansburg Creative Writing competition, winning R1000- for his submission. Ronewa is the second of our pupils to earn financial reward for their writing skills.

Ronewa, a Grade 12 student has earned himself two scholarships from Investec and the Sumbandila Trust. This most recent achievement indicates that Ronewa is also building a name for himself as a young South African author.

Again, a super testament to the great work our English Department is doing.

REMINDER - EARLY CLOSING

Please could I remind all parents that we will be closing school early on Tuesday 13th September (12:00) to accommodate all staff attending meetings in Polokwane.

MATRIC DANCE - FRIDAY 16 SEPTEMBER

Pupils and staff are all looking forward to the Matric Dance on Friday evening next week. We are confident that it is going to be a lovely event for our Grade 12s.

PRESENTATIONS AROUND

This week our Dramatic Arts Grade 8 pupils have been learning about praise poetry and its tradition in Africa. Each pupil had to write a praise poem about themselves and perform it in front of the class. Many pupils dressed up in their traditional attire and celebrated themselves, who they are and where they come from.

It was a wonderful mix of cultures, as well as a chance to showcase their creativity.

Our Grade 9 Conversational Tshivenda students presented their learning about the 'seasons' – Tshilimo, Vhuriha, Lutabvula and Tshifhefho. Each group brought props to support their presentation – it was a great amount of fun. Mrs Ramunenyiwa (our guest) was very impressed with our pupils.
