

RIDGEWAY COLLEGE

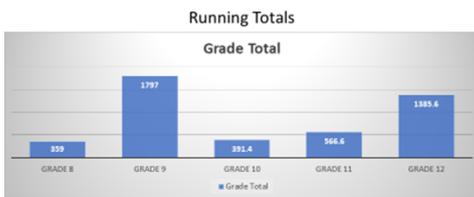

Dear Parents

“Jailed & Bailed” – SPCA Fundraiser

Our high school children and parents have really supported this initiative and I must thank you all for the valiant effort to get me out of jail. We have almost reached our goal to bring in R5000- for the charity. All generous donations at this stage (10 March) amount to a total of R4140-.

We have one more week to go to ensure that we reach the goal – “I am counting on my kids to free me.”

SPCA “Jailed & Bailed”

Olympiad Week

A huge number of our children have been writing the SAMO and AMESA Mathematics Olympiads this week – well done to you all for taking up the challenge.

Our budding computer programmers have been taking part in the Computer Talent Search this week – keep on coding!

KIND REGARDS

Dr. G.W Elliott

head@ridgewaycollege.co.za

Biologists at work...

Our Grade 11s were busy with their ‘Long Bone’ Practical this week with Ms Wilmans and our Grade 9s were looking at the micro world in their Microscope Practical yesterday – I’m sure there is a future microbiologist finding their passion in the grade.

Pupil Excels

On Tuesday this week, Mulisa Butje (Grade 10) was honoured at the Circuit Awards (Vhembe Central District) for being placed 1st in the circuit in English at the end of 2022.

Congratulations on this outstanding achievement Mulisa, well done young man.

RIDGEWAY REMINDER

Academics

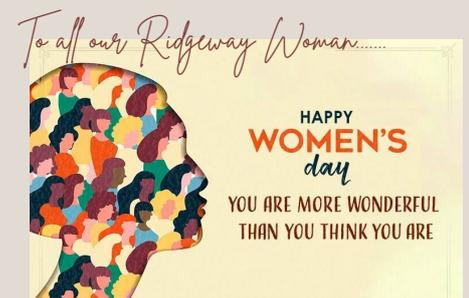

Term 1 Reports

A reminder that our Term 1 Reports will be emailed to parents during the course of the day next Friday (17 March). The report is emailed to the primary email address in our system; if you do not receive your child’s report please can I ask that you to check your spam/junk folders before contacting reception.

Sport

Eagle’s Nest Sport Festival

All the best of luck to our teams going through to Eagle’s Nest in Polokwane tomorrow for the Sports Festival. Our U15 & U19 Soccer Boys and the U14 & U16 Netball Girls will be impressing their competition with their skills. I am looking forward to the trip – a quick reminder to our parents that the children need to be dropped at Ridgeway at 05:30 in the morning please.
