Grade 12 Valediction and Final Assembly

Yesterday evening we honoured our Grade 12 pupils and their parents at their Valediction ceremony. Our guest speaker, Mr Mpho Netshifhefhe, a past graduate of Ridgeway College, gave an inspiring address. Today we held our Final Assembly for our Grade 12s, where the school had the opportunity to wish them the very best for their final examinations and the start of the next chapter of their lives.

Grade 12 Final Exams

Our Grade 12s start their Final Examinations on Monday 14 October (Further Studies Mathematics). We wish them every success with their examinations – stay focused, prepare diligently and remain strong until the very end.
