HOCKEY & NETBALL

Our Hockey and Netball teams played their last few games this week before exams begin.

Our Netball Girls were out at Eagle's Nest Christian School (ENCS) on Wednesday. The U15 and U17 teams played some superb netball, with narrow losses.

U15 score was 9-11.

The U17 team played the ENCS U19 team who clinched a victory of 23-22.

On Tuesday the Hockey Boys played PEPPS and came home with another victory, winning 1-0.

EDUGRO Winter Sports Festival

Our teams of participants had a super day of spirited competition last Saturday in Tembisa.

Soccer

The U15 Boys came away with Gold Medals after winning 3 of their games, losing only 1.

Our U17s were places 4th after 2 draws and 1 loss and the U19s unfortunately lost their 3 games.

The Girls' Soccer team played 2 matches, with 1 loss and 1 draw.

Netball

The U15 Girls won 2 games and drew 1, placing 2nd overall.

The U17s won 2 games, lost 1 and were also placed 2nd for the day.

Chess

Our Junior Team was placed 3rd and the Senior Team placed 4th.

Public Speaking

Husnaa Abdulla and Mulisa Butje were both placed 2nd in their respective category.

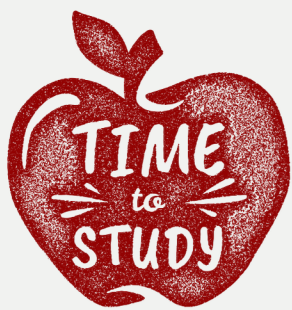

Volleyball

Our Senior Boys were placed 2nd having won 3 games and lost 1.

The Junior Girls won 2 of their games and lost 1, placing 3rd for the day.

Well done and congratulations to all of our children, you made Ridgeway very proud.

Examinations Begin

Our Mid-Year Exams start on Monday 20 May and run through to Thursday 6 June.

Classes return to the normal timetable on Friday 7 June (Day 10 of the timetable).

We trust that our children have been preparing steadily for the upcoming assessments and we encourage them to remain focused for the duration and give of their very best.

The exams are specifically designed to allow our children to demonstrate how much they have assimilated and how well they are able to apply their knowledge and understanding of the concepts covered thus far this year.

SANCA Visit

Social Workers, Tinyiko and Charlotte from SANCA (South African National Council on Alcoholism and Drug Dependence) delivered a presentation to our high school pupils on Tuesday morning this week. Their talk spoke to the awareness of- and dangers of- alcohol and drug use and abuse and included information on the work that SANCA does in our community.

Saturday Classes – 18 May

Saturday Classes

Grade 11 - Life Science (08:00-10:00)

**THINK IT.
WANT IT.
GET IT**

Poet-teacher, Teacher-poet,
The whole World is your classroom,
Show it!

How transparent is the glass
Of wisdom, goodness,
Write it,
Teach it,
Have them know it,
How to avoid falsehood,
Be the living guide,
To purity and beauty,
Truth always by your side.
