

Ridgeway College

Weekly Newsletter

19 July 2024

Dear Parents

Thank you to all parents and guardians who were able to attend the parent-teacher consultations on Monday afternoon/evening this week. If you were unable to attend and have been requested to meet your child's teachers, please contact reception to make arrangements for a convenient day and time.

Talent Search Computer Olympiad

A large number of our pupils took part in the national Computer Olympiad last term. Congratulations to all pupils who received certificates of acknowledgement for their excellent performance. Well done.

Provecto Olympiad

Congratulations to Cleopas Thosago and Nduvho Mulaudzi who have made it through to the 2nd Round of this national olympiad – good luck.

Saturday Classes

Due to the Matric Dance this evening there will be no Saturday Classes for our Grade 11 and 12 pupils tomorrow.

Matric Dance

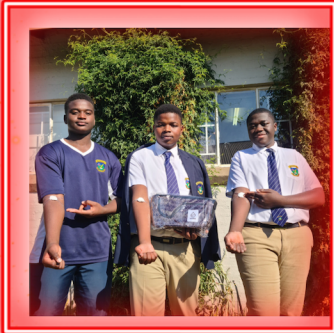

This evening is the much-awaited Matric Dance. Our Grade 12s are extremely excited to celebrate this milestone in their school career. A huge vote of thanks to our Grade 11 pupils, Mrs Rasool, Mrs Pretorius and Ms du Plessis for their hard work in bringing this event to fruition for our Grade 12s. I trust that our pupils will enjoy the evening with the maturity it deserves.

Open Day

Ridgeway College will be hosting an Open Day on Saturday 27 July across the ECD, Preparatory and High School campuses. If you have colleagues, friends or family wishing to enrol their children at Ridgeway in 2025, please share with them and encourage them to get their applications in next week. The high school is filling up quickly and spaces for 2025 are very limited.

Blood Drive

The SANBS visited Ridgeway again yesterday. Our children, staff and parents gave generously – thank you all for your donation towards saving lives of South Africans.

Term 2 Top Ten

We announced our Top Ten pupils of Term 2 during our assembly this week. The movement in ranking in many grades is very encouraging, suggesting healthy competition among our high-flyers. Congratulations to you all, keep working diligently.
