Dear Parents

Colour Run

Our school and community came together in their numbers on Saturday morning for our Colour Run. Thank you all for making the day a success – our Colour Run will again become an annual event going forward. There is nothing more rewarding for us as teachers and parents, than watching our children having fun in a safe, appropriate manner. We are already looking forward to next year's run.

Climate Survey

To our many parents and guardians who have already provided valuable feedback on the Climate Survey, thank you. Please could I ask our parents who have yet to complete the survey, to do so. Your input assists us in gauging our service delivery to our children and parents, highlighting areas that need our attention, and is a valuable barometer for our progress.

Examinations

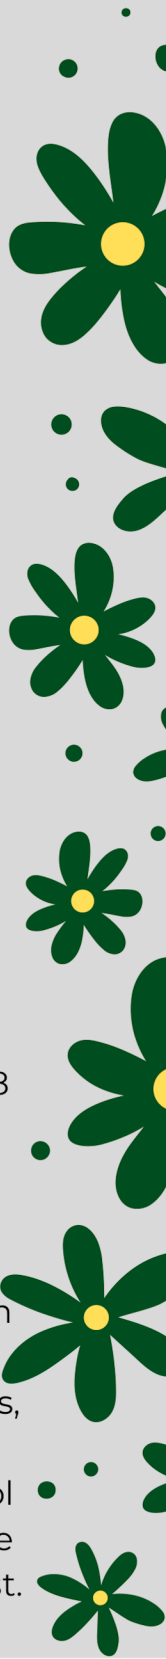

Our Year-End Examinations commence on Wednesday 8 November. The Exam Timetable has been circulated to both parents and pupils.

Your child's teachers have been reminded to provide a proper 'scope' for each examination to ensure that your child can use the examination to demonstrate how much they know.

To afford our children time to prepare for their final exams, Monday 6 November and Tuesday 7 November may be used as study leave. If your child prefers to study at school or requires some final support, they are welcome to come to school, the teachers are here and always happy to assist.

EXAM!
