My mother is my Hero. Written by our Grade 6's

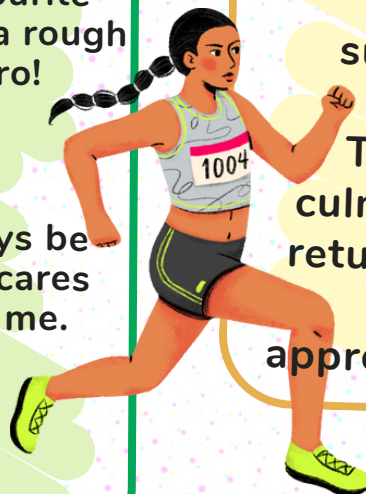

My Hero is my mum. I know that she cares about me deeply and I love how she takes the time to help me with my homework. I will always remember her cooking my favourite meals especially when she knows I had a rough day. I love you mum, you are my hero!

This weekend! Levubu Primary

This weekend, we are engaged in an athletics event against Levubu Primary School. Students are expected to arrive at Ridgeway College by 06:15, with the bus departing promptly at 06:30. Participants should be attired in their Physical Education kit and are advised to carry water due to the anticipated high temperatures. We extend a warm invitation to parents to join us in supporting our athletes.

The event will culminate with our return to Ridgeway College at approximately 13:40.

MATH QUIZ EVENING

I extend heartfelt gratitude to our exceptional Mathematics enthusiasts for their participation in the Math Quiz Evening. The event was truly remarkable, and I take immense pride in all the children who participated wholeheartedly. Furthermore, I deeply appreciate the unwavering support of our dedicated parents who consistently stand by the School. Your remarkable support is truly commendable and greatly valued.

Celebration of LOVE!

Celebrating Valentines day at school is always a huge day. Our children are eager to spread love and cheer and it is definitely something us teachers look forward to. The ice-cream and other treats also made this day a memorable one. Thank you to our parents and children for supporting our Grade 7 learners.

CONGRATULATIONS!

We are blessed to have a future SA chessmaster in our midst. Aryan Mehta competed in the Limpopo Regional Tournament last weekend in the U/16 category (he is only 11) . He placed an incredible 5th in the province and this is an incredible achievement. We look forward to watching him grow in this discipline and I am confident that we will see him represent our country soon!
