

# Weekly NEWSLETTER

## Welcome Back To School!

A warm, wonderful welcome to all our returning and new families to what I believe will be an amazing 2024. We had an eventful day 1 filled with excitement, nervousness, rain, sun and everything else that we have become accustomed to.

Our hall was filled with sounds of the National Anthem as we started off the year with our assembly. Our children and teachers were all excited as we reconnected with each other after the long break.

## What's In This Month's Issue?

- Upcoming Events
- After School Activities
- New Extra-Curricular

## Meet the Teacher / Orientation session

Thank you to our parents for attending our "Meet the Teacher" event. I am confident that you now feel more connected to your new grade. I look forward to meeting more of our ECD parents on Saturday as we complete the Orientation Program for our new Parents.

I would like to thank our Head Girl (Ms Toni Cooper) for taking all the photographs that you are seeing in the newsletter and I am enjoying spending time with Mr Mikhail Chakwizira (Our Head Boy) as we strategize how to further improve aspects of our school that he thinks are important and first on his list is DISCIPLINE.

## Extra- Curricular Programme

It is a busy term as we prepare to begin our Extramural Program next Monday. We already have multiple fixtures lined up for February, and I have already cleared out some space for all the additional trophies we will be bringing home this year, so it is time to get out onto that field, on stage, as well as in our Robotics spaces. The Extramural Plan is available on D6 as well, which will allow our children to select the activity they would like to be involved with.

COMING SOON

Rugby

Welcome to our new staff!

## UPCOMING EVENTS!

The Ridgeway Races are scheduled to occur during the initial week of February 2024.
