WEEKEND WARRIORS

Our weekly Hockey fixtures have come to an end and the hockey teams have made progress in line with expectations for the season. Thank you to our teams, coaches and parents for their support this season, and of course our admin team who work tirelessly behind the scenes.

EISTEDDFOD EXCELLENCE!

We have entered a record number of learners in this year's competition and our highly qualified adjudicator has recommended around ten learners for the next level taking place in Gauteng, in March 2024. We look forward to representing our school on a provincial platform. Well done to our children!

FLYING HIGH

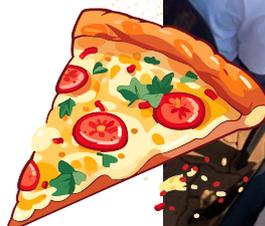

Watching the air filled with colourful kites is a throwback to a year gone by. Check our social pages for more videos and pictures of our learners enjoying this unique tradition in our school.

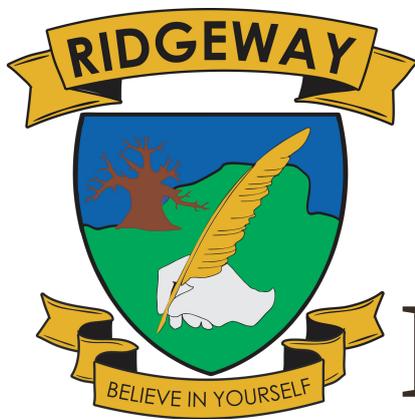

BALANCING ACT

Our children are adapting well to the rigorous demands of academic and extracurricular programme and they must be commended for it. The high quality projects that are coming in, along with improvements in overall averages are pleasing to note. We enjoyed our Top five lunch last week celebrating these academic results in the only way that we all enjoy...

PIZZA!

Congratulations!
