

Weekly NEWSLETTER

Message from the Principal

Thank you to all our parents who have attended the various orientation and introductory meetings held at our school. It is always a pleasure to engage with you and as the year progresses I am confident that we will build a healthy relationship which will benefit our children.

Academic Update

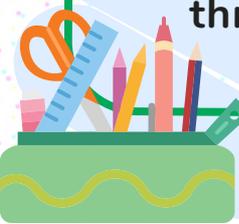

The academic program is currently underway, and our learners are actively participating in baseline assessments. These assessments serve to identify learners' strengths and areas that need improvement. Furthermore, all learners have received their stationery and text/workbooks. We kindly request that parents assist us by covering these materials to ensure they remain in good condition throughout the academic year.

Parent Update

We are thrilled to announce that this year, parents can lease stall space at Ridgeway Races for R300 per stall. All revenue generated from the stalls is entirely yours to keep. While you'll be responsible for your own set-up and gazebo, electricity will be available (excluding during load shedding, as we will not provide a generator).

Extra- Curricular Programme

Our extramural program commenced with enthusiasm as our learners eagerly took to the sports field to express themselves. I am confident that we will have an outstanding athletics season, and I'm excited to join you in cheering from the sidelines at our upcoming events.

We have another world champion!

Well done to Dricus (Stillknocks) Du Plessis on his UFC world Title win. It is so encouraging to see our country represented on an international level.

Happy Birthday
Ms. Siphuma!

UPCOMING EVENTS!

The Ridgeway Races are scheduled to occur during the initial week of February 2024. The learners are expected to arrive at 07:15 and the program will commence at 07:30. Learners are encouraged to bring money as there will be stalls available. Supporters are kindly requested to bring their own chairs and gazebos. Parents may pick up their children at 12:00.
